"Let Israel hope in the Lord; for with the Lord there is mercy, and with him is plentiful redemption." This verse from the Psalms will be the Golden Text in the Sunday Lesson-Sermon on "Everlasting Punishment" at all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.
The Lesson-Sermon includes Luke's account of this parable by Jesus: "Two men went up into the temple to pray; the one a Pharisee, and the other a publican. The Pharisee stood and prayed thus with himself, 'God, I thank thee, that I am not as other men are, extortioners, unjust, adulterers, or even as this publican. . . . And the publican, standing afar off, would not lift up so much as his eyes unto heaven, but smote upon his breast, saying, 'God be merciful to me a sinner.' I tell you, this man went down to his house justified rather than the other; for every one that exalteth himself shall be abased; and he that humbleth himself shall be exalted."
Mary Baker Eddy says in "Science and Health with Key to the Scriptures": "When the Publican's will went out to the great heart of Love, it won his humble desire."

Advice to Diabetics

Beware of patent medicines advertised as cures or remedies for diabetes! They are fakes. Diabetes was first recognized about 1552 B.C. This was about the time of Moses, or 200 years before the birth of King Tut. Ever since that time, at intervals, some faker comes up with a cure. A dependable treatment for diabetes was discovered less than twenty years ago. It will not cure the disease, but it will enable the diabetic to live a normal life. The discovery is known as Insulin. Your doctor knows all about it. If he finds it necessary in your case, we can supply it in just the right strength.
